Thank you

Wow! How is it almost the end of March already?

It has been ALL STATIONS GO behind the

scenes at the charity. At the beginning of the month, we received an amazing donation from marvellous Morrison's staff, Jenny and Steph full of food for the service and also flowers to acknowledge the work of the amazing women involved with the charity—especially our two incredible managers, Susan and Zoe! Thank you to Morrison's and to all the **wonderful women** out there who do so much to support the work we do as a charity!

We feel very fortunate to report that the majority of our staff members, volunteers and residents have now received at least the first dose of the vaccine. So grateful to all those who are making this happen in and around Warrington!

We are very busy here at the charity at the moment—some exciting new projects are in the pipeline over the coming months, so watch this space!

If you are a **local artist** or **crafter** and would like see how you can get involved and work on some new things we have planned, **please get in touch!**

After details of a report by Shelter was published at the beginning of the month, Sue Blythe and the team lit candles to commentate the (almost) 1,000 homeless people who died in 2020. Please help us to support vulnerable people who are experiencing homelessness in Warrington by donating to our charity.

Thank you to everyone who has supported us so far this year! Without you, we wouldn't be able to do what we do!
